### 2023 Trip Conveners Report

Hello everyone and welcome back, I hope you all enjoyed the Christmas break. Year ending December 2023 the club posted 33 trips - a brief overview of those trip numbers there was:

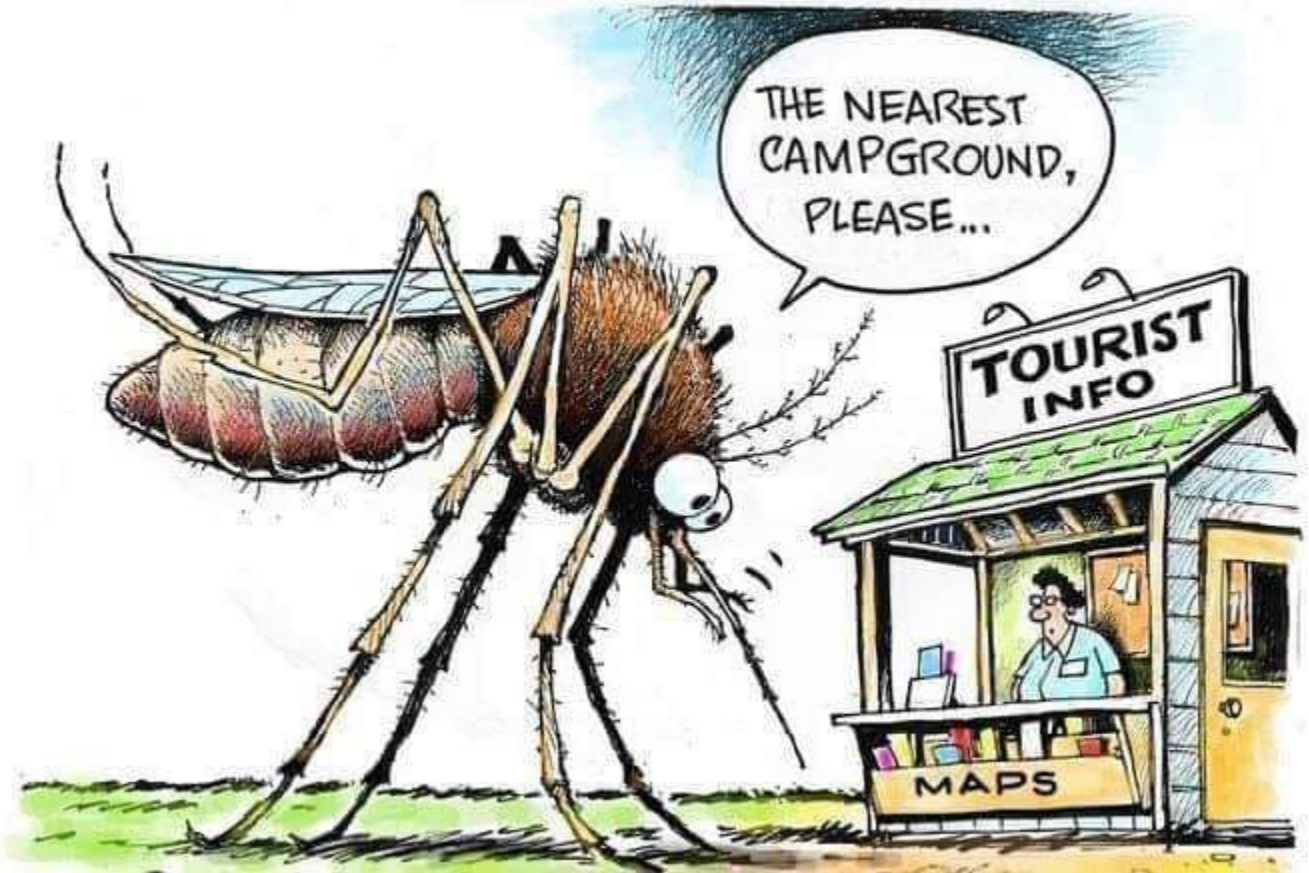

- 1 - Driver awareness/ training day
- 20 - Day trips
- 10 - Multi day camping trips
- 1 - Cancelled trip
- 1 - Extended trip

The weekday Wanderer trips have been very successful & proved quite popular among the retired folk.

**Trip reports for 2023** - I want to give recognition to those members who put pen to paper & wrote "their story" of the trip they attended. These reports are of interest to everybody, particularly those who couldn't go on the trip, they keep everybody informed. Good job.
